Vicky

Your office lead to start prepping briefing materials. Consider hot issue paper with some next steps and decision options. An agenda outline as well.

Thanks.

Bill, Jon, et al. - Working on scheduling a briefing with Bob Sussman next week to go over the Dimock data. Janice is working on scheduling. I will need to get an update at the end of the week on where we are with our review. We will most likely need to brief the Administrator on Dec. 19 or 20, or possible sooner. Let me know if you have any questions. Please keep me updated on our review.

Thank you - Shawn
